ABOUT ME

Highly experienced WordPress Web Developer & Designer and Digital Marketing Expert with over 5 years in the IT industry. Successfully completed 320+ projects across various sectors, specializing in custom web solutions, digital marketing strategies, SEO optimization, and graphic design. Adept at delivering functional, responsive, and SEO-friendly websites, combined with expertise in online branding and marketing strategies that drive traffic and conversions.

WORK EXPERIENCE

Wordpress Web developer

2021 - 2022

Web Developer IT | Savar, dhaka, Bangladesh

Worked as a WordPress Web Developer at Web Developer IT, where I specialized in creating custom WordPress websites, integrating e-commerce features, and optimizing sites for SEO and user experience. Delivered high-quality, responsive web solutions, collaborating with clients and teams to meet project goals.

Assistant Manager

(7 FEB - 15 Aug) 2022- 2022

Marufa Trading LLC | Oman, Ruwi, Muscat

Served as an Assistant Manager, responsible for overseeing company operations, website development, and managing key projects. Monitored workflows, coordinated team efforts, and contributed to web development initiatives to support the company's digital growth.

Technical Lead

2023 - 2024

Greenish IT Solution | Oman, Ruwi, Muscat

Currently serving as the Technical Lead at Greenish IT Solution, overseeing the technical aspects of projects and leading the web development team. Specializing in WordPress development, digital marketing strategies, and SEO optimization. Responsible for managing large-scale projects, providing technical guidance, and ensuring the successful delivery of custom web solutions and digital marketing campaigns.
